Open Access

*Strongyloides* egg in long-tailed macaques

## EDITORIAL TEAM

### Chief Editor

**Kusdiantoro Mohamad**, Dr., drh., M.Si, PA.Vet, School of Veterinary Medicine and Biomedical Sciences, IPB University. (Scopus ID: 26632148100)

### Associate Editors

**Arifin Budiman Nugraha**, drh., M.Si, Ph.D, School of Veterinary Medicine and Biomedical Sciences, IPB University. (Scopus ID: 57200947142)

**Supriyono**, drh., M.Si, Ph.D, School of Veterinary Medicine and Biomedical Sciences, IPB University. (Scopus ID: 57202372057)

**Wahono Esthi Prasetyaningtyas**, Dr., drh., M.Si, PA.Vet, School of Veterinary Medicine and Biomedical Sciences, IPB University. (Scopus ID: 21733385700)

### Editorial Boards

**Agustin Indrawati**, Prof., Dr., drh., M.Biomed, School of Veterinary Medicine and Biomedical Sciences, IPB University. (Scopus ID: 57115388700)

**Andriyanto**, Dr., drh., M.Si, School of Veterinary Medicine and Biomedical Sciences, IPB University. (Scopus ID: 57214139916)

**Deni Noviana**, Prof., drh., Ph.D, DAiCVIM, School of Veterinary Medicine and Biomedical Sciences, IPB University. (Scopus ID: 6505909761)

**Indra Kusuma**, Dr., dr., M.Biomed, Faculty of Medicine, Universitas YARSI. (Scopus ID: 57192272246)

**Ni Wayan Kurniani Karja**, Prof., drh., MP, Ph.D, School of Veterinary Medicine and Biomedical Sciences, IPB University. (Scopus ID: 6602265583)

**Ratih Rinendyaputri**, S.KH, M.Biomed, Research Organization for Health, National Research and Innovation Agency (BRIN). (Scopus ID: 57206249648)

**Wasmen Manalu**, Prof., Ir., Ph.D, School of Veterinary Medicine and Biomedical Sciences, IPB University. (Scopus ID: 6701769736)

**Widjiati**, Prof., Dr., drh., M.Si, Faculty of Veterinary Medicine, Universitas Airlangga. (Scopus ID: 57219597156)

### Managing Editors

**Aprilia Hardiati**, Dr., drh., M.Si, School of Veterinary Medicine and Biomedical Sciences, IPB University

**Diah Nugrahani Pristihadi**, Dr., drh., M.Si, School of Veterinary Medicine and Biomedical Sciences, IPB University

**Novericko Ginger Budiono**, Dr., drh., M.Si, School of Veterinary Medicine and Biomedical Sciences, IPB University

### Administrators

**Nisrina Nur Savitri**, SE, School of Veterinary Medicine and Biomedical Sciences, IPB University

**Vera Nora Indra Astuti**, STP, MM, School of Veterinary Medicine and Biomedical Sciences, IPB University

## JOURNAL DESCRIPTION

**Current Biomedicine** is an open access and a peer-reviewed scientific journal in the biomedical field.

**Scope.** Current Biomedicine will publish widely relevant topic in the field of biology (life science), directly or indirectly, support the improvement of human health. These fields include, but are not limited to: anatomy, physiology, histology, embryology, genetics, pharmacology, toxicology, pharmacy, parasitology, pathology, microbiology, clinics, radiology and imaging, surgery, experimental surgery, reproduction, ethnomedicine, phytopharmaceuticals, biotechnology, biomedical engineering, bioinformatics, public health, epidemiology, legislation and bioethics, and one health.

**Publication frequency.** Current Biomedicine is published bi-annually, namely in January and July. First issue was published in January 2023.

**Language.** Current Biomedicine accepts articles in Bahasa Indonesia or English.

**Article processing charge (APC).** Articles published in Current Biomedicine are FREE for submission fee and APC. Journal management is fully funded by the School of Veterinary Medicine and Biomedical Sciences IPB University.

**Peer-review process.** The peer-review process is carried out in a double-blind system. All processes and decisions are independent, transparent and accountable. The peer-review process and final decision are no more than 8 weeks from the receipt of the manuscript.

**Publisher.** Current Biomedicine is published by the School of Veterinary Medicine and Biomedical Sciences IPB University in collaboration with the Indonesia Veterinary Medical Association (PDHI)(Letter No. 001/E/KU/PBPDHI/XII/2022). Technical layout and printing are supported by PT. PENERBIT IPB PRESS, Bogor.

## LIST OF CONTENTS

### *Research*

- Kualitas mikrob dan sel somatik dalam susu yang berasal dari peternakan sapi perah di lokasi dataran tinggi dan dataran rendah**  
Zahratul Jannah, Isdoni Isdoni, Iyep Komala, Herwin Pisestyani ..... 1–9
- Efek diuretik ekstrak daun alpukat (*Persea americana* Mill.) pada kadar kalium dan natrium urine tikus *Sprague-Dawley***  
Rini Madyastuti, Nunik Nida Choerun Nisa, Ietje Wientarsih ..... 10–18
- Hubungan teknik pemerahan dengan jumlah *Escherichia coli* pada susu segar dari peternakan sapi perah di KUD Kertajaya, Kabupaten Kediri, Jawa Timur**  
Raihan Alif Rahadyan, Wiwiek Tyasningsih, Yulianna Puspitasari, Dian Ayu Permatasari, Widjiati Widjiati ..... 19–24
- Penyembuhan luka sayatan kulit menggunakan topikal *balsamum peruvianum* pascaoperasi infark miokardium pada babi domestik (*Sus scrofa domestica*)**  
Agung Febryanto, Dwi Utari Rahmiati, Ietje Wientarsih, Fitria Senja Murtiningrum, Bintang Nurul Iman, Deni Noviana, Gunanti Gunanti ..... 25–32
- Kejadian nematodosis gastrointestinal pada monyet ekor panjang (*Macaca fascicularis*) di Pusat Studi Satwa Primata LPPM IPB**  
Bahaudien Rosyid, Huda Shalahudin Darusman, Elok Budi Retnani ..... 33–45
- Toksisitas akut infusa daun pepaya *Calina jantan* (*Carica papaya* L.) pada mencit betina**  
Nurma Sari, Safika Safika, Hamdika Yendri Putra, Andriyanto Andriyanto ..... 46–53
