

This first supplement issue of the Indonesian Journal of Nutrition and Food features the presentations given at the 1st International Conference on Food, Nutrition and Health that was organized by Centre for Dietetics Studies, Faculty of Health Sciences, Universiti Teknologi MARA which was held virtually on 19–20 September 2023.

These papers were reviewed by the Scientific Committee of ICFNH 2023 before their presentation, but they did not undergo the conventional reviewing system of the Indonesian Journal of Nutrition and Food.

SCIENTIFIC COMMITTEE MESSAGE FROM 1st ICFNH 2023

The 1st International Conference on Food, Nutrition and Health (ICFNH) 2023 was organized virtually by Centre for Dietetics Studies, Faculty of Health Sciences, Universiti Teknologi MARA. The main objective of this conference is to share the latest information on food, nutrition and health. ICFNH 2023 also serves as an opportunity for researchers, practitioners, students and other interested parties to share their research and ideas in this field. During the ICFNH 2023, a lively discussion were observed among young nutrition and dietetic students and researchers with senior researchers, professors, and thought leaders in the world of food and nutrition.

The organizing committee of the ICFNH 2023 had chosen to focus on "Curating Health through Nutrition: A Shared Responsibilities" as the theme of the conference. The articles presented in this first supplement issue are selected from the 19 oral presentations covering six themes of ICFNH 2023.

The publication of this first issue of ICFNH 2023 supplement is supported by the Indonesian Journal of Nutrition and Food. We do hope this supplement issue can contribute as a source of scientific information in the field of food, nutrition and health for our readers.

On behalf of the 1st ICFNH 2023,

Syahrul Bariah Abdul Hamid, MSc, PhD

Head of Scientific Committee

Guest Lead Editor of 1st Issue
